Dear Applicant

Teaching Assistant Level 2

Thank you for your interest in the post of Teaching Assistant at Ludlow Church of England School. If you choose to apply for this position you will be giving yourself the opportunity to play a vital role in the school and its community.

The school has an inclusive ethos and is resourced to meet a wide range of needs. This provision allows for in-class support of the children in their mainstream subject areas. This is available to all children, no matter what their age or ability and for however long they need it, if they are not making adequate progress within the normal range of school teaching. We believe in a flexible approach to meet the individual needs of children.

We operate a whole school approach to intervention. Interventions, for Years 7 to 11 are co-ordinated by Head of English, Maths and the Special Educational Needs Co-ordinator (SENCo). In terms of less able students, or those with SEND, all departments are responsible for the application of learning development within their own subject areas, under the guidance of the SEN Department and for acting upon the requirements of the children's Individual Education Plans or Learning Support Plans. Learning support is co-ordinated throughout the school by the SENCo. However, all teachers are required to be teachers of children with special educational needs.

The department consists of three Special Educational Needs teaching staff and 15 Teaching Assistants. The Teaching Assistants may be available for general classroom support, or may be attached to specifically targeted children.

We offer training and development to our new support staff. Please use the person specification and job description to help complete the application form and give examples of relevant experience wherever possible. If you have any queries regarding this post that you wish to raise before applying for this position, please do not hesitate to contact the school.

Closing Date for Applications: Midday Monday 5th November 2018
