Ludlow School is an inclusive school, which employs a team of dedicated and enthusiastic Teaching Assistants, to support the learning needs of individual students and small groups within the classroom environment.

The newly-created post will not only involve classroom-based support of students, under the direction of the classroom teachers, but a leading First Aid role, including support for diabetic care. Full training will be provided. Previous experience of working with children or young people, preferably in a school setting, would be advantageous, but is not essential.

Ludlow School is committed to developing and supporting leadership at all levels. We provide an enriching educational experience for all at Ludlow, which is a popular 11 to 16 all-ability school situated in the beautiful South Shropshire Hills.

The Bishop Anthony Educational Trust and its academies are committed to safeguarding and promoting the welfare of children and young people, and expects all staff, and volunteers, to share the same commitment. This post is subject to an enhanced DBS check and will follow a safer recruitment policy.
