Mid-Term or In-Year Admissions

In accordance with the revised School Admissions Code 2012, the school co-ordinates in-year admissions, and not Shropshire Council. Parents or carers can apply for a place at any time, and the application is made directly to us using a mid-term application form available on our website, or Shropshire Council's website, listed above. Should you wish your child to join the school after the start of Year 7, please contact the school in the first instance in order to make an appointment to visit the school. Decisions regarding in-year applications will be considered by members of the Senior Leadership Team.

We inform Shropshire Council of all applications received and their outcome to allow Shropshire Council to keep up to date figures on availability of places. If an application is refused, Shropshire Council will inform parents or carers of their right to appeal against the refusal. Some applications may be considered under the Fair Access Protocol.
