

Ludlow Church of England School

PROVIDER ACCESS POLICY

Approved By	School Performance Committee
Date Approved	September 2019
Last Revised	January 2019
Review Date	July 2020

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to students at the school, for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All students in years 7-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies, workshops, group discussions, careers adviser appointments and taster events;
- to understand how to make applications for the full range of academic and technical courses

Management of provider access requests

Procedure

A provider wishing to request access should contact:

Premises and facilities

The school will make the main hall, classrooms, or private meetings rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the IAG Manager.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the IAG Manager for distribution in school.
