

## Year 11 Careers Newsletter: Friday 15th October 2021

Hello Year 11,

- Did you go? The first Open event? How did you get on? There was also a virtual event at Shrewsbury Colleges on 13<sup>th</sup> October. Even if you do not plan to go to a particular college when you leave school, it is a good idea to attend a number of face-to-face and virtual events. This will give you a much wider perspective of what it is like to study at our local colleges, what the different courses offer and, ultimately, what is best 'fit' for your needs.

The **next event** is on **19<sup>th</sup> October** from **Shrewsbury Colleges Group**. You must book a place before attending.

- A Criminology and Psychology Q&A session has now been confirmed and will take place on Friday 5<sup>th</sup> November 9-9.25am in B3. A group of ex-Ludlow School students, who left us last summer and now studying at Ludlow College, will come into school and give an insight into studying these two very popular subjects. If you are interested in attending, please see / email Mrs Griffiths-Jones by 4<sup>th</sup> November.
- Having received the majority of your completed School Action Plans, I can see that apprenticeships are continuing to grow in popularity, as a post-16 career pathway.

The first of four Open Events at Herefordshire and Worcestershire Group Training Association, is a virtual Open Evening being held on Tuesday 19<sup>th</sup> October 4.00-6.30pm.
