

## Year 11 Careers Newsletter: Friday 5th November 2021

Hello to you all

We are now into Half Term 2 and mock exams begin at the end of the month, too. Look at the revision timetables you are putting together and set SMART targets. What do you need to focus on? What subjects? Time management? Managing distractions? Reflect on the tutor time activities last half term and the workshops you attended in October. Ensure you use the skills and advice effectively.

### Fantastic news!

We have our first post-16 pathway secured! One resourceful Year 11 student will start an apprenticeship and a Saturday job with a local employer. This particular student will start earning and learning from this Saturday and then will attend college one day a week from September. If this doesn't motivate you to start thinking, attending and applying, I am not sure what will!

Year 11, I wish you a lovely weekend.

Mrs Griffiths-Jones
